Government Order No. 4666-80—Edn. 121-21-60, dated 20th June 1922, transferring the administrative control of the Industrial Schools from the Inspector-General of Education, to the Director of Industries and Commerce.

2. Letter No. D. 377—28-29, dated 3rd September 1928, from the Director of Industries and Commerce, submitting proposals for the revision of the staff of Industrial Schools.

3. Government Order No. D. 2320-21—I. & C. 477-27-2, dated 24th August 1928, revising the grade of Superintendents of Industrial Schools.

4. Correspondence ending with letter No. D. 1-377—28-29, dated 30th August 1929, from the Director of Industries and Commerce, submitting revised proposals for revision of the staff of the Industrial Schools.

ORDER NO. D. 5984-5—I. & C. 118-29-6, DATED 2ND DECEMBER 1929.

The question of reorganizing the staff of Industrial Schools has been under consideration for a long time. The present scales of pay were fixed many years ago and it has long been felt that they require improvement. The pay of the Superintendents of these schools was revised in 1924 and again in 1928, but the pay of the staff has remained unchanged for a long period, although it was observed, at the time of transferring these schools to the control of the Industries Department, that these institutions required improvement and that the savings effected at the time of transfer by the abolition of three Taluk Schools might be utilised for effecting the necessary improvements. The staffs of these schools are now drawing the rates of fixed pay sanctioned over ten years ago, except for the high prices allowance which was consolidated with pay in 1921.

On a consideration of the final proposals of the Director, Government are pleased to direct that the existing temporary staff attached to the schools be made permanent and the pay of the staff fixed as follows:—

19 Instructors on Rs. 35—3—50.	17 Instructors on Rs. 30—2—40.
7 Clerks on Rs. 30—2—40.	1 Store-keeper on Rs. 30—2—40.

Government are not in favour of sanctioning the appointment of Attenders for looking after the Stores work in the schools, and direct that this duty should be attended to by the Clerks of the Institutions.

As recommended by the Director, the menial staff is revised as in the margin. The Director's proposal to transfer one of the posts of peons in the Dodballapur School to Sagar Industrial School is also approved.

4 peons on Rs. 12 per mensem each.
10 ,, on Rs. 11 do do
1 Watchman on Rs. 12 per mensem.
7 Scavengers on Rs. 9 per mensem each.

The increase in the annual average cost incidental to the revision, which is sanctioned above, and which will have effect from the date of this order is Rs. 5,311. The extra cost involved during the current year will be met out of the provision of Rs. 3,000 made therefor in the current year's budget.
